

Heidelberg Township
York County, Pennsylvania
SWIMMING POOL APPLICATION

LOCATION OF PROJECT

Site Address: _____ Parcel Number: _____
Property Owner: _____
Owner Address (if different than project): _____
Owner Phone: _____ Owner Email: _____
Cost of Pool: _____ Zoning Area: _____
Contractor: _____ Contractor Phone: _____
Contractor Address: _____ Contractor Email: _____

A Workers Compensation Form must be on file for contractors; a license may be required for your contractor.

Type: In Ground: _____ Above Ground: _____
Shape: Sides: Hard: ____ Soft: ____ Dimensions/Size of Pool: _____

If above ground, height of pool from ground level: _____

If less than 4 feet (48 inches) in height, a minimum 4 foot high fence is required, meeting code. If your above ground pool is 4 feet or higher, the ladder must lock in an up position or be removable when the pool is unattended. Attached decks must meet the fence requirements as described below.

Fence Material: _____ Fence Height: _____

Installed fences must be 4 feet high from ground level with no opening larger than 2 inches and must be equipped with self closing gates.

Filter Unit: Yes: ____ No: ____

If installing electrical equipment to a pool, it must meet code standard and be wired direct with an approved breaker.

A detailed Plot Plan must be included with this application. An example is attached.

In ground pools must have a fence at least 4 feet high that meets above descriptions.

Above ground pools must have either side walls, a fence meeting above descriptions, or both that total 4 feet above ground level.

ALL pools over 24 inches require inspections to be completed during construction for code compliance, including electrical work
