None

4. Approval of minutes from June 17, 2026

Travis Laughman made a motion to approve the minutes.

Alan Miller seconded the motion.

The motion passed 3-0.

5. Engineer

Anthony Lain and group present discussed:

Water System Security Grant

- Standby generator has been purchased and should arrive by the end of February 2027
- On target to meet grant terms
- Grant end date 06/30/2027

DEP Violation 07/29/2027

- Replace 5 pressure tanks
- Install source metering
- Received 1 bid of \$20,299.50
- Awaiting at least one additional bid

Q&A session with those present resulted in:

- New pressure tanks and source metering are not compatible with new system due to costs and time lines
- Violation correction costs cannot be included in existing grant scope
- Bypassing tanks is out of scope and would reduce needed water storage
- If water customers are responsible for the cost of violation correction then:
 - o Approx.: \$675/household, \$60/mo/hh, or \$180/qtr/hh (base rate \$250 - \$430/qtr)
 - o Potential low interest rate loan from township to extend term to 2 years
